### A SURE WINNER.

If Republicans Vote There is No Question About the Election of Cox.

The Opposition's Only Hope is to Feign Indifference and Work Like Fury.

Every Republican Should Come Into Line and Vote Straight and Early.

If the Republicans of Wichita will do their duty today, the entire Republican ticket will sweep the city like a prairie

At the elections held in the third class cities all over the state yesterday, the Republicans won the fight everywhere and

in many places made unparalelled gains. The only hope of the fusionists in Wichita is to feign indifference and work like fury. By this means they have a bare hope of winning. The program is to acknowledge the defeat of their ticket early in the day so as to make the Republicans work less and in the mean time their strikers and heelers will be shoving in every vote at their command. It is their intention to vote every member of of their party, both men and women

Governor Lewelling has been in the city with the politicians of both the Democratic and Populist parties. He is very auxious about the result, and while he has no hope that the fusion ticket will win yet, he hopes that by some shrowd political tricks, the majority of the Republican ticket can be brought below the majority given Farmer Smith last fall. If this is done he will be in a position to say and boast that his 'Gattling Gun' administration was indoesed by Wichita. The determination of every Republican 1,200 today and leave no doubt upon the minds of the people of the state as to the program with a description of Easter fesfeelings of the people of Wichita on the tivities, their origin and purpose.

The best way to accomplish a signal triumph today is to go to work early and not cease working for a moment till the polls are closed at night. It is especially necessary to get out the female vote early. The fusionists will try and divert the attention of the Republicans in many ways. and the utmost caution and watchfulness is necessary. They will try hard to capture the Fifth, Sixth and Third wards, and the Republicans of the voting pre-cincts in these portions of the city should be on the alert all day and not let a possible vote escape them. In short, as before stated, every Republican should constitute himself a committee of one to see that the entire Republican ticket is elected and the fusionists buried so deep that there will be no hope of resurrection for them.

ority of the people. Men will be placed at every polling place by the Republican committee and complaints will be made against any and verybody violating the election law. legal voters will be watched especially. There is good reason to believe that protection has been promised to illegal voters by the Fusionists who centrol the police force, but men or women who depend on this promised protection will flud them-Mrs. William Gould left last evening selves in hot water who may cast an illehave no power to stop prosecutions

DEMOCRATIC CALL

WICHITA, Kan., April 1, 1893.

This is to certify that there will be a meeting of the stalwart Democrats of Sedgwick county, on Saturday, April 8, at the parlor of the Manhattan hotel, in Wichita, at 2 p. m., for the purpose of adding to the regularly organized central committee such member as will, according to the sense of the committee, add strength, blood and patriotism to the movement now on foot, whereby those opposed to an unboly combine with an organisation, whose avowed object is to establish paternalism in local, state and fistional affairs, as well as to crush out of existence a party whose history and tradition are stamped indelibly upon every star and

stripe of the American flag. The attendance of every loyal Democrat is earnestly requested, and you in par-ticular. We want to advise with each and from the large number in attendance in the coming campaign. Will you kledly favor us with your council at this meeting.

Of the many beautiful Easter services and entertainments none were more artistic and none so much enjoyed as that at the First M. E. church last evening. It was a perfect success, and much credit is due to Mrs. Nellie Hobbs-Smyth, under whose directions it was given. The first number, a trio, "Andante," from "Surnumber, a trio, "Andante," from "Surprise Symphony" for piano, organ and violin, was beautifully rendered by Mrs. Smyth, Miss Clark and Mr. Howes. Miss Eva Norris followed with a vocal solo, urer; and H. D. Carmien, trustee. "Il Sogna," and at once won the hearts of her audience with her sweet voice and charming manner.

Following this came Mr. Richard Leandro Howes with a violin solo (a) "Dudiarz" and (b) "Obertass." To say that he is a violinist of more than local note, or one of the fluest in the west, is but slight praise. He is superb. He is grand. The Misses Fode Stanley, Olive Corrie, Mary Barth and others did themselves credit by grace of manner and purity of speech. It was a joyous oc-

The Congregational church at the cor per of Lawrence avenue and Second street, was richly and beautifully decorated with blooming flowers, growing plants and ribbons of evegreens. FRANK DANIELS. At the Grand opera house last night F as Daniels appeared in his three-act come, Dr. Cupid," This play is decidedly of the farce-comedy order, and delighted the audience that packed the thearer. This company has appeared before the nobility and crowned heads of Europe and is now on a tour around the world, which will positively be the final one for Mrs. General Tom Thumb, the most noted little lady that ever lived. She will appear at every performance in her tiny carriage arrayed in brilliant costumes from Worth's and wearing \$65,000 worth of diamonds, among which is the neck-lace valued at \$3,000 presented to her by her majesty.
